

- **Gifting and charity sponsorship** : charities and volunteers can directly sponsor users who mostly post jobs, essentially letting users from these two groups to collude by sharing money.
- **Aidoo Guardians**: all users will have the chance to contribute for the safeguarding of the Aidoo environment by reviewing reports and resolving disputes in exchange for money.
- **Starting balance**: new users will be given a starting amount of scrip, increasing money in circulation with each new user and allowing the economy to be bootstrapped.
